

TRIBAL CONSULTATION - LOCAL EDUCATIONAL AGENCY WITH TRIBES

Reference Guide

2019

Office of Indian Education.

Arizona is home to twenty-two federally recognized tribes. Eligible* **Local Educational Agencies (LEAs)** (e.g., schools and districts), are required, by law, to consult with tribes in their area. Arizona has defined the consultation area to be within a 50-mile radius served by the LEA. Eligible LEAs with 30 or more students from a tribe outside the 50-mile radius are also required to consult with that tribe. Refer to the tribal consultation [policy](#) and [guide](#) for more detailed information. Both documents can be found on the Office of Indian Education website: www.azed.gov/oie.

This reference guide provides LEAs with a list of the tribes they are required to consult with. This list is based on the distance between LEAs and Tribal Council addresses. Please notify the Office of Indian Education at indianeducation@azed.gov if there are any location changes.
